4) Start the Course

- For each section, a video lecture will play automatically. As you progress through lectures, click on the **Complete and Continue** button to mark the lecture and move on to the next lecture in the course.

The screenshot displays a course interface. On the left, a sidebar shows the course progress: 0% COMPLETE. The current section is 'Opening Remarks (25:24)'. Below this, 'Day 1' contains several lectures: 'Lessons Learned from the Battlefield (Part 1) (70:19)', 'Where the Rubber Meets the Road: Research and Best Practices (61:24)', 'DRE Longevity and Performance Awards (7:48)', 'CDL Masking, What You Don't Know May Cost Lives, Your Job and Your State Millions (61:46)', 'The High Way: The Ongoing Battle with Polysubstance Impaired Driving (73:16)', and 'ICJI, Toxicology and Legal Updates Roundtable (71:13)'. 'Day 2' includes 'Lessons Learned from the Battlefield (Conclusion)', 'No BAC for THC', 'Effective Communication for Highway Safety Leaders', and 'Strengthening DUI/D Programs to Create Safer Roads'. On the right, the 'Opening Remarks' section is active, listing speakers: Marshall Depew (Impaired Driving Training Coordinator, ICJI, Email: MDepew@cji.in.gov), Rob Duckworth (Director of Traffic Safety Division, ICJI, Email: rduckworth@cji.in.gov), and Jonlee Anderle (NHTSA Regional Administrator). A video player shows a man speaking at a podium with a sign that says 'DRIVER OR GET OVER'. A red 'Complete and Continue >' button is visible at the top right and bottom center of the interface.

5) Navigating the Course

- As you move along, you'll see a checkmark next to the completed lecture and your course progress percentage will increase. Incomplete lectures are denoted with an empty or a partially filled-in circle. Completed lectures are denoted with a checkmark. You can view individual lecture progress and course progress in the course sidebar.

The screenshot shows a course interface. On the left, a sidebar displays the course title '2022 Traffic Safety Conference' with a progress bar at '20% COMPLETE'. Below this, it says 'Welcome to the 2022 Traffic Safety Conference!' and lists several lectures under 'Day 1'. The lecture 'DRE Longevity and Performance Awards (7:48)' is highlighted in red, indicating it is the current lecture. The main content area shows a video player for 'DRE Longevity and Performance Awards' with a 'Complete and Continue' button below it. The video player features a graphic for the '2022 INDIANA TRAFFIC SAFETY CONFERENCE' held from 'APRIL 25-27' in 'NOBLESVILLE'.

- It's important to note a few things as you mark your progress through a course:
 - Lectures will only be marked as complete if the **Complete and continue** button is clicked. If you navigate through the course by selecting individual lectures in the course sidebar, then the lectures will not be marked as complete.
 - Course progress cannot be reset, but you can still access lectures even if they are marked as complete. To do so, click on the individual lecture in the course sidebar.
 - If you want to reset your course progress, you can contact your school owner, Moyars Consulting at soo@moyars.com and request that your existing account is deleted and then manually add/enroll you back in the course. This effectively “resets” your course progress.

The screenshot shows a user interface for a course completion page. On the left, there is a sidebar with the logo for the Indiana Criminal Justice Institute (ICJI) and the text "2022 Traffic Safety Conference" and "100% COMPLETE".
